The Friends of the Tellico Village Public Library's 16th annual Library Used Book Sale was held April 30-May 1. The always popular Friends Member's Preview Night was held on April 29. The Preview and two-day public sale netted \$13,011 to benefit the Library.

Thank you to all the energetic, enthusiastic, innovative and dedicated volunteers who helped make the 2010 Library Used Book Sale a huge success!

Whether you donated one of 30,000 books, shivered at the warehouse while marking, sorting and placing books on pallets, or worked any or many jobs at the sale, whether you made sweets or savorys for the Member's Preview or were one of our many eager customers, you were all vital to the success of this fund raising event.

A special thanks to Leigh Whittaker for bookmarks, posters and publicity; to Ann Autry for organizing the Preview Party; and to Cindy Brittingham for laminated signs for categories and authors.

We also extend sincere thanks to Village Home Center, Tanasi Clubhouse, and Chota Rec Center for serving as book drops. We are grateful to the crew at Public Works for transporting the books to the sale, and of course, we are also grateful to the Tellico Village Community Church for use of the Christian Life Center. We couldn't have done it without all of you!
